

Frédérick Martel, CA

Entrepreneurship Technical Advisor

Frédérick Martel was born in Sept-Îles, where he did his college studies. He then moved to Quebec City where he began studies in art history to then return to business administration.

After earning his Bachelor's degree in this field, he entered the workforce. Following the birth of his first child, he decided to return to school to become a Chartered Accountant (CA).

Frédérick worked for two years in an accounting firm and he became a member of the Order of Chartered Accountants in September 2017, shortly before entering the FNQLEDC. He also serves as Treasurer on the Board of Directors of the Centre de la petite enfance (CPE) La Croisée, since September 2018.

Frédérick offers frontline technical and financial advisory services to the advisors of the FNQLEDC, its economic development agents, entrepreneurs, as well as various First Nations organizations.

Thanks to his diverse professional background, Frédérick was able to develop expertise on a number of issues with which First Nations entrepreneurs have to cope.
