

Steve Laveau

Economic Development Advisor

A Native of Nation huronne-wendat, Steve Laveau earned a Bachelor's degree in Business Administration, with a Major in Finances, from Université Laval.

During the first eight years of his career, he worked for a tourism company based in Wendake, acting among others as Director of Operations. He committed 22 years of his life to two well-known financial institutions. As Specialist Advisor in mortgage financing during 10 years, he was involved in various residential development projects. He also acted as manager of a team of personal financial advisors and financial planners, for more than five years.

Steve has been acting as Economic Development Advisor at the FNQLEDC, since April 2018. He is in contact with the majority of the 43 communities serviced by the FNQLEDC and intervenes in different types of events, on and off reserve, comprising: specialized workshops, economic development projects, career days, thematic fairs, etc.

« Even though we are based in Wendake, I am on the field in different contexts to help the CEDAs and CEDOs in their economic development projects, with advice, support, and the organization of training sessions or conference-days. I look forward to sharing your path in a near future. »
